## BEST WAYS TO GET OR REPLACE A 1099R

Military retirees and annuitants receive a 1099R tax statement either electronically via myPay or as a paper copy in their mail each year. If the document gets misplaced or one is needed from a previous year, retirees can request copies of their 1099R in several different ways.

The fastest and most secure way to obtain a copy of the 1099R is myPay. Members can login to <https://mypay.dfas.mil/> and print their 1099R when they need it.

The interactive voice response system (IVRS) is the most convenient and fastest method for members that don't have myPay accounts. If the mailing address we have on file is current, the member can get a copy of their 1099R by using the telephone self-service option.

To use the telephone self-service call 1-800-321-1080, and follow the prompts. Typically takes 7-10 Days
