AMC Holiday Half Day Work Schedules: Monday, 18 Dec 22 – Friday, 29 Dec 22

- The dates listed above are designated as regular passes. The applicable guidelines regarding passes and chargeable leave are outlined in AFI 36-3003, Military Leave Program. For military members required to perform duty during these holidays, commanders are encouraged to grant compensatory time-off during the first week following the holiday, mission requirements permitting.
- Under the current rules for DoD civilians, commanders can encourage liberal leave, use of previously earned compensatory time or use already approved time-off awards. Group time off awards, specifically for giving the day off, is prohibited by AFI 36-1004, The Air Force Civilian Recognition Program.
- During your family days and holiday activities, please think safety first. Use your Wingman, apply common sense, always drive safely and continually wear your seat belts. I ask commanders and supervisors to provide required safety briefings to their personnel and ensure they understand risk management procedures.
- If your staff has any questions, please feel free to contact Mr. Ben Trotter, AMC/DCS, at DSN 779-3312 or Commercial (618) 229-3312.
