Please plan accordingly.

- **UCC—Control Center Operations** 0900-1000 Classes will be held for McGuire/Dix personnel on the McGuire side of JB MDL in Bldg 1821 Rm 132 and **on the Lakehurst side in the Fire Dept training room for Lakehurst personnel by request only.** Initial training is required within 60 days of assignment. CC Operations and AFEM Program Course certificates are required for class.
- **EPL—Emergency Preparedness Liaison** 1000-1100 Classes will be held for Dix/McGuire personnel on the McGuire side of JB MDL in Bldg 1821 Rm 132 and **on the Lakehurst side in the Fire Dept training room for Lakehurst personnel by request only.** Initial training is required within 60 days of assignment. Unit EM Rep. and AFEM Program Course certificate are required for class.
- **EOC—Emergency Operations Center Initial Course** 2 hours long in Bldg 1821 Rm 123 starting at 0900. Initial required within 60 days of assignment and is scheduled as needed by unit. AFEM Program course and EOC Operations certificates are required for class. Call 754-4968 or 8551 for more info on FEMA associated ESF requirements and to schedule a training time.
- **CBRN—Chemical Biological Radiological Nuclear Survival Skills Training** This class is held on Wed in Bldg 1931 at either 0800, 1300 or 1500. CBRN Defense, C-IED, and EOR CBTs are prerequisites for the course. ONLY unit schedulers can assign/cancel slots for this class. CBTs must be accomplished every 18 months. Hands-on training is required for individuals hard tasked to deploy in Bands: YR and other then YR; or every 18 months for Enablers. Last Wednesday of each quarter will be held at 1500 for shift personnel.
- **SIP—Shelter In-Place Training** For all JB MDL units contact the JB OEM to schedule training.

* = located on Lakehurst

NOTE: Listings in the “Classes Offered” section are mandatory for all units unless otherwise noted. Classes are held in Bldg 1821 unless otherwise noted. All references to initial training are from AFI 10-2501. For additional information please see the AFI or contact the OEM Training Section.
